WHEREAS:

- (A) The Originator has agreed to sell, and the Issuer has agreed to purchase, on the Portfolio Sale Date, the Portfolio of Loans and their Related Security originated by or acquired by the Originator on the terms and subject to the conditions set out in this Agreement.
- (B) The Issuer will finance its acquisition of the Portfolio by issuing the Notes.

IT IS HEREBY AGREED as follows:

1. DEFINITION AND INTENTION OF PARTIES

- 1.1 The master definitions and construction schedule made between, amongst others, the parties hereto on or about the Closing Date (as the same may be amended, varied or supplemented from time to time with the consent of the parties thereto, the "**Master Definitions and Construction Schedule**") is expressly and specifically incorporated into this Agreement and, accordingly, the expressions defined in the Master Definitions and Construction Schedule shall, except where the context otherwise requires and save where otherwise defined herein, have the same meanings in this Agreement, including the Recitals hereto and this Agreement shall be construed in accordance with the interpretation provisions set out in clause 3 (*Interpretation and Construction*) of the Master Definitions and Construction Schedule. In this Agreement:

"**Debt Purchase Agreement**" means the debt purchase agreement dated 17 October 2018 between, among others, Pepper Finance Corporation (Ireland) Designated Activity Company and the Originator; and

If there is any conflict between the provisions of the Master Definitions and Construction Schedule and the provisions of this Agreement, the provisions of this Agreement shall prevail, save that (for the avoidance of doubt) nothing in this Agreement shall be construed as to prevail over or otherwise alter the provisions of clause 4 (*No recourse, Non-Petition and Limited Recourse*) of the Master Definitions and Construction Schedule, the provisions of which will survive the termination of this Agreement.

2. **SALE AND PURCHASE OF THE LOANS AND THEIR RELATED SECURITY**

2.1 Subject to the terms and conditions of this Agreement, the Originator agrees to sell and the Issuer agrees to purchase, on the Portfolio Sale Date the Originator's whole right, title, interest and benefit in and to the Loans and their Related Security comprising the Portfolio (details of which are set out in Exhibit 3 (*Details of the Portfolio*) hereto), provided that such obligation of the Issuer to purchase the Loans and their Related Security shall be conditional on the delivery by the Originator to the Issuer of the following documents:

Such Title Deeds are held on the basis that they (other than the dematerialised copies of the Title Deeds) shall be returned to the Originator or the Servicer or its solicitors or agents.

- 4.1 Notwithstanding the sales effected by this Agreement but without prejudice to the terms of the Originator Declaration of Trust, if at, or at any other time after, the Portfolio Sale Date (but prior to any repurchase in accordance with Clause 10 (*Warranties and Repurchase*)) the Originator holds, or there is held to its order, or it receives, or there is received to its order, any property, interests, rights or benefits and/or the proceeds thereof (including the proceeds of any claim under the Insurance Policies) hereby agreed to be sold to the Issuer (and not repurchased by the Originator pursuant to Clause 10 (*Warranties and Repurchase*)), the Originator undertakes to each of the Issuer and the Security Trustee that, subject to Clause 5 (*Perfection of the Sale*), it will promptly remit, assign and/or transfer the same to the Issuer or, if appropriate, the Security Trustee or as any of them shall direct and until it does so or to the extent that the Originator is unable to effect such remittance, assignment, or transfer, it will hold such property, interests, rights or benefits and/or the proceeds thereof upon bare trust for the Issuer and/or the Security Trustee (as applicable).
- 4.2 If at, or any time after, the Portfolio Sale Date the Issuer holds, or there is held to its order, or it receives, or there is received to its order, any property, interests, rights or benefits relating to any Loan and its Related Security repurchased by the Originator pursuant to Clause 10 (*Warranties and Repurchase*) and/or the proceeds thereof, the Issuer undertakes to the Originator that it will remit, assign, re-assign or transfer the same to the Originator, as the case may require, and until it does so or to the extent that the Issuer is unable to effect such remittance, assignment, re-assignment or transfer, the Issuer undertakes to hold such property, interests, rights or benefits and/or the proceeds thereof upon bare trust for the Originator as the beneficial owner thereof or as the Originator may direct, provided that the Issuer shall not be in breach of its obligations under this Clause 4.2 if, having received any such monies and paid them to third parties in error, it pays an amount equal to the monies so paid in error to the Originator in accordance with the Servicing Agreement.

5. **PERFECTION OF THE SALE**

- 5.1 Each of the Originator and the Issuer agrees to promptly notify each other, the Servicer, the Security Trustee and the Rating Agencies as soon as reasonably practicable after the Originator and/or the Issuer becomes aware of the occurrence of a Perfection Event.
- 5.2 The Servicer agrees to notify the Issuer, the Originator and the Security Trustee as soon as reasonably practicable after it becomes aware of the occurrence of a Perfection Event.
- 5.3 In the case of Loans and their Related Security, completion of transfer by way of assignment of the legal title of the Loans and their Related Security to the Issuer or its nominee will be completed as soon as reasonably practicable after any Perfection Event occurs. If the Loans and their Related Security are sold pursuant to the exercise of the Call Option, the Issuer or (if at the time the Call Option is exercised the Issuer does not hold the Whole Legal Title) the Originator (if applicable), upon receipt of a direction from the Issuer and at the sole cost and expense of the

Issuer, shall promptly transfer the Whole Legal Title in the Loans and their Related Security comprising the Portfolio to the Legal Title Transferee and, upon completion of such transfer, deliver to the Legal Title Transferee or as the Legal Title Transferee may direct (a) all accounts, books and records which show all transactions, payments, receipts and proceedings and (b) the Title Deeds, in respect of the Loans and their Related Security comprising the Portfolio.

 - (ii) in case of Loans secured over Properties which comprise unregistered land, by means of an unregistered transfer in or substantially in the form set out in Part 3 (*Unregistered Land*) of Schedule 2 (*Register of Transfers*); and
 - (b) the Loans and their Related Security shall be effected through notification by the Issuer (or by the Servicer on behalf of the Issuer) (or, following the delivery of an Enforcement Notice), by the Servicer at the direction of the Security Trustee (or by the Security Trustee where the Security Trustee is required to do so) to the relevant Borrowers and/or guarantors and/or insurers or other relevant third parties of the sale and transfer or assignment of the relevant Loans and their Related Security,
- and, in each case, notice shall be given to each Borrower or any other relevant person of the charge by the Issuer of the Issuer's interest in that Borrower's Loan and its Related Security to the Security Trustee pursuant to the Irish Deed of Charge.
- 5.7 Perfection of the transfer of other Related Security comprised in the Portfolio not catered for in Clause 5.6 (including in respect of any Mortgage over unregistered land), shall be in such form as the Issuer (or, following the delivery of an Enforcement Notice, the Security Trustee) may require.
- 5.8 Prior to perfection pursuant to Clause 5.6, the Issuer will not:

- (a) submit or require the submission of any notice, form, request or application to, or pay any fee for the registration or recording of, or the noting of any interest at the Land Registry or the Registry of Deeds, as the case may be, in relation to, the Issuer's or Security Trustee's interests in the Portfolio;
- (b) give or require the giving of any notice to any Borrower or any other relevant person of (i) the sale or transfer of that Borrower's Loan and its Related Security to the Issuer or (ii) the charge by the Issuer of the Issuer's interest in that Borrower's Loan and its Related Security to the Security Trustee pursuant to the Irish Deed of Charge;
- (c) send or require to be sent to any solicitor, licensed conveyancer or other person who has acted on behalf of the Originator in respect of any Mortgage with respect to which the Originator has not received a complete set of the Title Deeds, a letter or other communication requiring such solicitor, licensed conveyancer or other person to hold such documents to the order of the Issuer or the Security Trustee (as the case may be); or
- (d) take any other step or action analogous to those in paragraphs (a) to (c) above.

5.9 Prior to the occurrence of a Perfection Event the Security Trustee shall not be entitled to (and shall not be entitled to direct the Issuer to) take any of the steps set out in (a) to (d) of Clause 5.8 above or take any other step or action analogous to those in paragraphs (a) to (d) of Clause 5.8 above.

5.10 As soon as reasonably practicable following perfection of the assignments or transfers contemplated by this Agreement pursuant to Clause 5, the Originator will do all of the acts, matters or things (including, for the avoidance of doubt, those acts, matters and things referred to in Clauses 5.6 and 5.7) as the Issuer (or, following the delivery of an Enforcement Notice, as the Security Trustee) requires the Originator to do, including:

- (a) delivering to the Issuer or as the Issuer may direct, all Loan Files, title deeds and other records in relation to the Loans and their Related Security;
- (b) the acts, matters and things referred to in Clauses 5.4, 5.6 and 5.7;
- (c) providing a bulk transfer of Direct Debit Mandates;
- (d) in the case of all Borrowers who do not make payment under the Direct Debiting Scheme, ensuring that all Borrowers will be instructed to make all payments under the Loans directly to the Deposit Account or such replacement bank account as the Issuer (or after the delivery of an Enforcement Notice, the Security Trustee) requires in order to give effect to the terms of the assignments contemplated in this Agreement;
- (e) giving notice to each insurance provider or any other relevant person of the assignment of each relevant Insurance Policy to the Issuer and by the Issuer to the Security Trustee of the relevant Insurance Policy; and
- (f) all such acts, matters and things which the Issuer reasonably requires to complete the legal assignment in accordance with this Clause 5.

5.11 The Originator shall indemnify on demand, each of the Issuer and the Security Trustee from and against any and all costs, fees and expenses (including legal fees and expenses and any Irrecoverable VAT thereon) which may be properly incurred by the Issuer and, if applicable and following the delivery of an Enforcement Notice, the Security Trustee and by reason of the doing of any act, matter or thing in order to perfect legal title to the Loans and their Related Security (where entitled to do so under this Clause 5) but excluding any such costs, fees and expenses

incurred in connection with the transfer of the Whole Legal Title to the Legal Title Transferee following the exercise of the Call Option by the Option Holder in accordance with the terms of the Deed Poll.

- 5.12 The Issuer shall, as soon as reasonably practicable following receipt of notification to it, or its agents, of completion of the registration or recording of the transfer of all of the relevant Mortgages comprised in the Portfolio and other acts required to perfect the transfer of the relevant Loans and their Related Security comprising the Portfolio to the Issuer or its nominee, give notice thereof to the Originator and with such notice return the Originator Power of Attorney.
- 5.13 For the avoidance of doubt, the Security Trustee shall not be responsible for (a) effecting any registration at the Land Registry to perfect or protect either (i) the sale of the Mortgages and/or the Loans and/or the Related Security to the Issuer or (ii) the granting of security over the Mortgages and/or the Loans and/or the Related Security by the Issuer in favour of the Security Trustee nor (b) obtaining possession of Title Deeds to the Properties the subject of the Loans.

6. FURTHER ADVANCES

6.1 Further Advances

- (a) The Originator may in accordance with the Originator's Policies determine that a Further Advance may be advanced by the Originator to Borrowers in respect of the relevant Loans in the Portfolio (as a result of, *inter alia*, the Originator determining that the conditions for the granting of such Further Advance have been satisfied by the relevant Borrower and there are sufficient funds available to it to fund that Further Advance).
- (b) If the Originator determines that an amount may be advanced by the Originator as a Further Advance in respect of any Loan in the Portfolio, the relevant Loan in respect of which the Further Advance is made will remain in the Portfolio unless by the Calculation Date relating to the Collection Period during which a Further Advance has been effected (or, in the case of clause 6.1(c)(xiv) below, by the Interest Payment Date immediately following the Collection Period during which the Further Advance was effected), the Originator (or the Servicer on behalf of the Originator) has given a Notice of Non-Satisfaction of Further Advance Conditions to the Issuer pursuant to Clause 6.1(c), which Notice has not been revoked prior to such date.
- (c) If the Originator (or the Servicer on behalf of the Originator) identifies that any of the following conditions are not satisfied with respect to any Further Advance as at the relevant Further Advance Date or, as applicable, would not be satisfied following the making of the Further Advance or (in the case of clause 6.1(c)(xiv) below) as at the Interest Payment Date immediately following the end of the Collection Period in which the relevant Further Advance was effected:
- (i) the Further Advance Date falls before the Step-Up Date;
 - (ii) the Originator (or the Servicer on its behalf) is not aware that the then current ratings of the Rated Notes then outstanding would be downgraded, withdrawn or qualified as a result of the relevant Further Advance remaining in the Portfolio;
 - (iii) no Insolvency Event in respect of the Originator or the Servicer has occurred;
 - (iv) no Event of Default has occurred and is continuing;
 - (v) no Perfection Event has occurred;

- (vi) no debit balance is recorded on any of the Class A Principal Deficiency Sub-Ledger, the Class B Principal Deficiency Sub-Ledger, the Class C Principal Deficiency Sub-Ledger, the Class D Principal Deficiency Sub-Ledger or the Class E Principal Deficiency Sub-Ledger;
- (vii) the principal amount of any Further Advance is not less than €10,000;
- (viii) the aggregate amount of all Further Advances purchased since the Portfolio Sale Date does not exceed 5% of the Current Balance of the Loans in the Portfolio as at the Portfolio Sale Date;
- (ix) for Loans in relation to which interest is computed based on a Variable Rate, the Further Advance will result in the interest rate on the relevant Loan being greater than the Variable Rate Floor;
- (x) for Fixed Rate Loans, the Further Advance will result in the interest rate on the relevant Loan being greater than the Fixed Rate Floor;
- (xi) after making the Further Advance, the loan to value of such Loan is not greater than 80%;
- (xii) the Loan which is the subject of the Further Advance was in compliance with the Loan Warranties as at the Portfolio Sale Date and would not cease to be compliant with the Loan Warranties as a result of the Further Advance;
- (xiii) the Further Advance would be made in compliance with the Originator's Policies; and
- (xiv) to the extent that the granting of such Further Advance leads to an increase in the Aggregate Fixed Rate Loan Principal Amount which, as at the immediately following Swap Determination Date, results in the determination of a Swap Shortfall Amount greater than or equal to the Swap Shortfall Amount Threshold, the Swap Transaction shall be adjusted to hedge the additional exposure with an effective date on and from the Interest Payment Date immediately following the end of the Collection Period in which the relevant Further Advance Date occurs,

(together, the "**Further Advance Conditions**"), then a Notice of Non-Satisfaction of Further Advance Conditions shall be given by the Originator (or the Servicer on behalf of the Originator) to the Issuer. Upon the Originator (or the Servicer on behalf of the Originator) giving the Issuer a Notice of Non-Satisfaction of Further Advance Conditions which has not been revoked prior to the Calculation Date relating to the Collection Period during which the Further Advance has been effected (or, in the case of clause 6.1(c)(xiv) above, by the Interest Payment Date immediately following the Collection Period during which the Further Advance was effected) (or, the Issuer shall or shall procure that the Servicer shall deliver to the Originator (with a copy to Security Trustee) a Loan Repurchase Notice, substantially in the form set out in Schedule 4 (*Loan Repurchase Notice*) and the Originator shall be obliged to repurchase the relevant Loan and its Related Security from the Issuer together with any other Loan secured or intended to be secured by such Related Security or any part of it, in accordance with Clause 10 (*Warranties and Repurchase*). Completion of such repurchase shall occur within 75 days of the date of service of the relevant Notice of Non-Satisfaction of Further Advance Conditions.

- (d) If no Notice of Non-Satisfaction of Further Advance Conditions has been given by the Originator (or the Servicer on behalf of the Originator) to the Issuer and the Originator, pursuant to Clause 6.1(c) above, or has been so given but subsequently revoked by the

Originator (or the Servicer on behalf of the Originator) and the Issuer has not notified the Originator that it will not purchase such Further Advance, then the Loan which is the subject of a Further Advance shall remain in the Portfolio and the Originator shall, in relation to the relevant Loan, give the Loan Warranties in respect of such Further Advance as at the Further Advance Date.

- (e) Subject to Clause 6.1(d) above and Clause 6.1(j) below, the Issuer agrees to purchase and the Originator agrees to sell to the Issuer each Further Advance on its Further Advance Date in consideration of the payment of the Further Advance Purchase Price which will be satisfied by the payment, or procurement of payment by the Issuer, to the Originator of the Further Advance Purchase Price on the relevant Further Advance Date, provided that the Issuer shall only purchase such Further Advance if there are sufficient Redemption Receipts available to the Issuer to purchase such Further Advance and provided further that Redemption Receipts received in respect of a Collection Period may only be used to fund Further Advances made during such Collection Period. For the avoidance of doubt, this payment shall not be subject to the applicable Priority of Payments.
- (f) Subject to the provisions of this Clause 6.1 the beneficial interest in the Further Advances shall pass to Issuer automatically on the relevant Further Advance Date.
- (g) If, pursuant to Clause 6.1(c) above, by the Calculation Date relating to the Collection Period during which a Further Advance has been effected (or, in the case of clause 6.1(c)(xiv) above, by the Interest Payment Date immediately following the Collection Period during which the Further Advance was effected), a Notice of Non-Satisfaction of Further Advance Conditions has been given by the Originator (or the Servicer on behalf of the Originator) to the Issuer and has not yet been revoked by the Originator (or the Servicer on behalf of the Originator), then Issuer shall or shall procure that the Servicer shall deliver to the Originator (with a copy to the Security Trustee) a Loan Repurchase Notice, substantially in the form set out in Schedule 4 (*Loan Repurchase Notice*), and the Originator shall then be obliged to repurchase the relevant Loan and their Related Security together with any other Loan secured or intended to be secured by such Related Security or any part of it, in accordance with Clause 10 (*Warranties and Repurchase*).
- (h) In order for the Originator to repurchase the relevant Loan and its Related Security pursuant to Clause 6.1(g) above, the Originator shall make a cash payment to the Issuer in accordance with Clause 10 (*Loan Warranties and Repurchase*).
- (i) If it is subsequently determined that:
 - (i) any representation or warranty made by the Originator on the Further Advance Date in respect of any of its Loans which is subject to a Further Advance was untrue as at the date it was made; or
 - (ii) any of the Further Advance Conditions were in fact not satisfied in relation to the Further Advance on the relevant Further Advance Date:
 - (1) despite no Notice of Non-Satisfaction of Further Advance Conditions being given by the Originator (or the Servicer on behalf of the Originator) to the Issuer; or
 - (2) where a Notice of Non-Satisfaction of Further Advance Conditions was given but was revoked by the Originator (or the Servicer on behalf of the Originator),

and, in the case of (i) above, this (where capable of remedy) has not been remedied within 35 days of receipt by the Originator of notice from the Issuer or the Servicer in relation thereto, the Originator will, upon receipt of a further notice from Issuer, repurchase the entire Loan and its Related Security (including in the case of an Loan subject to a Further Advance, the Further Advance) from the Issuer in accordance with Clause 10 (*Warranties and Repurchase*).

(j) If:

(i) the Originator:

(1) proposes to agree to make a Further Advance to the Borrower; and

(2) notifies the Issuer and (following the delivery of an Enforcement Notice) the Security Trustee that it proposes to repurchase the relevant Loan to which the Further Advance relates; or

(ii) the Issuer (or the Servicer on its behalf) notifies the Originator that it does not have sufficient Redemption Receipts received during the Collection Period during which the Further Advance is proposed to be made to fund the purchase of the relevant Further Advance,

the Issuer shall serve a Loan Repurchase Notice in duplicate substantially in the form set out in Schedule 4 (*Loan Repurchase Notice*) requiring the Originator to repurchase the relevant Loan and its Related Security in accordance with Clause 10 (*Warranties and Repurchase*) on the Originator and the Originator shall repurchase the relevant Loan and its Related Security within 35 days of the date of service of the relevant Loan Repurchase Notice in accordance with Clause 10 (*Warranties and Repurchase*).

7. PRODUCT SWITCHES

7.1 Product Switches

(a) The Originator may, in accordance with the Originator's Policies accept applications, or make offers to Borrowers, for Product Switches in respect of Loans comprised in the Portfolio (as a result of, *inter alia*, the Originator determining that the conditions for the granting of such Product Switch have been satisfied by the relevant Borrower and notifying the same to the Servicer).

(b) The Originator undertakes that it is and shall at all times remain solely responsible for offering and documenting any Product Switch or accepting any application for a Product Switch made to, or received from, a Borrower with respect to any relevant Loan. If the Originator (or the Servicer on behalf of the Originator) makes a Product Switch in respect of any Loan in the Portfolio, the relevant Loan in respect of which the Product Switch is made will remain in the Portfolio subject to the operation of this Clause 7.

(c) If the Originator identifies that any of the following conditions are not satisfied with respect to any Product Switch as at the Switch Date, or as applicable would not be satisfied following the granting of the Product Switch on such Switch Date or (in the case of clause 7.1(c)(xii) below) as at the Swap Payment Date immediately following the end of the Collection Period in which the relevant Product Switch was effected:

(i) the Switch Date falls before the Step-Up Date;

- (ii) the Originator (or the Servicer on its behalf) is not aware that the then current ratings of the Rated Notes then outstanding would be downgraded, withdrawn or qualified as a result of the relevant Product Switch remaining in the Portfolio;
- (iii) no Insolvency Event in respect of the Originator or the Servicer has occurred;
- (iv) no Event of Default has occurred and is continuing;
- (v) no Perfection Event has occurred;
- (vi) no debit balance is recorded on any of the Class A Principal Deficiency Sub-Ledger, the Class B Principal Deficiency Sub-Ledger, the Class C Principal Deficiency Sub-Ledger, the Class D Principal Deficiency Sub-Ledger or the Class E Principal Deficiency Sub-Ledger;
- (vii) the Loan in respect of which a Product Switch has been made is in compliance with the Loan Warranties following conversion;
- (viii) the Product Switch does not convert a Repayment Loan into an Interest-Only Loan;
- (ix) the rate applicable to the Loan following the Product Switch will be in accordance with the rates determined in accordance with the Mortgage Conditions;
- (x) following a Product Switch in relation to a Loan in relation to which interest is computed based on a Variable Rate, the interest rate on the relevant Loan will be greater than the Variable Rate Floor;
- (xi) following a Product Switch in relation to a Fixed Rate Loan, the interest rate on the relevant Loan is not less than the Fixed Rate Floor;
- (xii) to the extent that the granting of such Product Switch leads to an increase in the Aggregate Fixed Rate Loan Principal Amount which, as at the immediately following Swap Determination Date, results in the determination of a Swap Shortfall Amount greater than or equal to the Swap Shortfall Amount Threshold, the Swap Transaction shall be adjusted to hedge the additional exposure, with an effective date on and from the Interest Payment Date immediately following the end of the Collection Period in which the relevant Switch Date occurs; and
- (xiii) following the Product Switch, the relevant Loan shall not have an initial Fixed Rate Period of more than 5.5 years,

(together, the "**Product Switch Conditions**") then a Notice of Non-Satisfaction of Product Switch Conditions shall be given by the Originator (or the Servicer on its behalf) to the Issuer. Upon the Originator (or the Servicer on its behalf) giving a Notice of Non-Satisfaction of Product Switch Conditions, which notice has not been revoked prior to the Calculation Date relating to the Collection Period during which the Product Switch has been effected (or, in the case of clause 7.1(c)(xii) above, as at the Interest Payment Date immediately following the end of the Collection Period in which the relevant Product Switch was effected), the Issuer shall or shall procure that the Servicer shall deliver to the Originator (with a copy to the Security Trustee) a Loan Repurchase Notice, substantially in the form set out in Schedule 4 (*Loan Repurchase Notice*) and the Originator shall repurchase the relevant Loan(s) and its Related Security from the Issuer together with any other Loan secured or intended to be secured by such Related Security or any part of it, in accordance with Clause 10 (*Warranties and Repurchase*). Completion of such

repurchase shall occur within 75 days of the date of service of the Notice of Non-Satisfaction of Product Switch Conditions.

- (d) If, by the Calculation Date relating to the Collection Period during which a Product Switch has been effected (or, in the case of clause 7.1(c)(xii) above, as at the Interest Payment Date immediately following the end of the Collection Period in which the relevant Product Switch was effected), no Notice of Non-Satisfaction of Product Switch Conditions has been given by the Originator (or the Servicer on behalf of the Originator) to the Issuer, pursuant to Clause 7.1(c) above, or has been so given but subsequently revoked by the Originator (or the Servicer on behalf of the Originator) and the Issuer has not notified the Originator that it will not purchase such Product Switch, then the Loan which is the subject of a Product Switch shall remain in the Portfolio and the Originator shall, in relation to the relevant Loan, give the Loan Warranties in respect of such Product Switch as at the Switch Date.
- (e) If, pursuant to Clause 7.1(c) above, a Notice of Non-Satisfaction of Product Switch Conditions has been given by the Originator (or the Servicer on behalf of the Originator) to the Issuer and has not yet been revoked by the Originator (or the Servicer on behalf of the Originator), then the Issuer (or the Servicer on behalf of the Issuer) shall deliver to the Originator a Loan Repurchase Notice, substantially in the form set out in Schedule 4 (*Loan Repurchase Notice*), and the Originator shall then be obliged to repurchase the relevant Loan and its Related Security together with any other Loan secured or intended to be secured by such Related Security or any part of it, in accordance with Clause 10 (*Warranties and Repurchase*).
- (f) In order for the Originator to repurchase the relevant Loan and its Related Security pursuant to Clause 7.1(e) above, the Originator shall make a cash payment to the Issuer in accordance with Clause 10 (*Warranties and Repurchase*).
- (g) If it is subsequently determined that:
 - (i) any representation or warranty made by the Originator on the Switch Date in respect of any of its Loans which is subject to a Product Switch was untrue as at the date it was made; or
 - (ii) any of the Product Switch Conditions were in fact not satisfied in relation to the Product Switch on the relevant Switch Date:
 - (1) despite no Notice of Non-Satisfaction of Product Switch Conditions being given by the Originator (or the Servicer on behalf of the Originator) to the Issuer; or
 - (2) where a Notice of Non-Satisfaction of Product Switch Conditions was given but was revoked by the Originator (or the Servicer on behalf of the Originator),

and, in the case of (i) above, this (where capable of remedy) has not been remedied within 35 days of receipt by the Originator of notice from Issuer or the Servicer in relation thereto, the Originator will, upon receipt of a further notice from the Issuer, repurchase the entire Loan and its Related Security (including in the case of a Loan subject to a Product Switch, the Product Switch) from the Issuer in accordance with Clause 10 (*Warranties and Repurchase*)

- (h) If:

- (i) the Originator proposes to agree to grant a Product Switch to the Borrower; and
- (ii) notifies the Issuer and (following the delivery of an Enforcement Notice) the Security Trustee that it proposes to repurchase the relevant Loan to which the Product Switch relates,

the Issuer shall serve a Loan Repurchase Notice in duplicate substantially in the form set out in Schedule 4 (*Loan Repurchase Notice*) requiring the Originator to repurchase the relevant Loan and its Related Security in accordance with Clause 10 (*Warranties and Repurchase*) on the Originator and the Originator shall repurchase the relevant Loan and its Related Security within 35 days of the date of service of the relevant Loan Repurchase Notice in accordance with Clause 10 (*Warranties and Repurchase*).

8. **LOAN REPURCHASE NOTICE FOLLOWING LEGAL PROCEEDINGS**

The Originator and the Issuer agree that if and to the extent that any determination shall be made by any court or other competent authority or any ombudsman or regulator that:

- (a) any term which relates to the recovery of interest under the Standard Documentation applicable to a Loan and its Related Security is unfair;
- (b) there has been any material breach of or non-observance or non-compliance with any obligation, undertaking, covenant or condition on the part of the Originator relating to the interest payable by or applicable to a Borrower under any Loan,

then, as soon as reasonably practicable after the receipt by the Security Trustee of a certificate signed by the Servicer stating that that determination under paragraphs (a) or (b) above has been made, the Issuer will deliver to the Originator (with a copy to the Security Trustee) a Loan Repurchase Notice, substantially in the form set out in Schedule 4 (*Loan Repurchase Notice*), requiring the Originator to repurchase the relevant Loan and its Related Security and all other Loans secured over the same Related Security in accordance with Clause 10 (*Warranties and Repurchase*).

9. **UNDERTAKINGS**

- 9.1 The Issuer undertakes to the Originator that it will at all times, prior to the transfer of legal title to the Loans and their Related Security to the Issuer or its nominee in accordance with Clause 5 (*Perfection of the Sale*) (or will direct the Servicer at all times to), use reasonable endeavours to administer and enforce (and exercise its powers and rights and perform its obligations under) the Loans and their Related Security comprised in the Portfolio in accordance with the policies set out at Schedule 6 (*Originator's Policies*) to this Agreement (subject to such changes made by the Originator prior to transfer of legal title to the Loans and their Related Security in accordance with Clause 5 (*Perfection of the Sale*) in accordance with the standard of a Prudent Mortgage Lender).
- 9.2 The Originator undertakes to the Issuer that, in the event that any Borrower establishes that it has at any time prior to the Portfolio Sale Date, paid to the Originator any amounts in excess of sums due to the Originator as at the date of payment under the Mortgage Conditions applicable to that Loan, the Originator will reimburse the Borrower for such overpayment together with any interest, cost or other expense associated therewith and, until it does so or to the extent that the Issuer is unable to effect such remittance, hold such property, interests, rights or Benefits and/or the proceeds thereof upon trust for the Issuer (or, following the delivery of an Enforcement Notice, the Security Trustee) as the beneficial owner thereof. The Originator further agrees to hold the Issuer harmless against any such claims and to indemnify the Issuer on an after-Tax basis in relation to any costs, expense, loss or other claim which may arise in connection therewith.

- 9.3 If any right of set off is exercised by a Borrower in respect of a Loan, the Originator will (unless such Loan is repurchased by the Originator) indemnify the Issuer on an after-Tax basis in respect of any losses, costs or expenses suffered or incurred by the Issuer in connection with the exercise of such right of set off, provided that the amount of such indemnity shall not exceed the Current Balance in relation to that Loan as at the date the Borrower exercises the right of set off.
- 9.4 The Originator undertakes to the Issuer and the Security Trustee that, pending perfection of the assignment after the occurrence of any event under Clause 5 (*Perfection of the Sale*):
- (a) it shall (to the extent that any of the following is vested in it) hold on trust for the Issuer all right, title, interest and Benefit (both present and future) in, to and under:
 - (i) the Loans and their Related Security; and
 - (ii) any sums that are or may become due in respect thereof;
 - (b) it shall not do or omit to do any act or thing which might, in the opinion of the Security Trustee, prejudice the interests of the Issuer and/or the Security Trustee in the Portfolio;
 - (c) it shall notify the Issuer, the Security Trustee and the Servicer of any changes to the Originator's Policies prior to their coming into effect;
 - (d) other than as permitted by the Transaction Documents, it shall not (to the extent legal title to Loans and their Related Security is held by it and, if not held by it, shall procure that the party holding such legal title shall not), without the prior written consent of the Issuer, sell, transfer, convey, assign, declare any other trust over or otherwise dispose of the legal title to the Loans or their Related Security or create or permit to subsist any mortgage, charge, debenture or any other form of security over the legal title to the Loans and their Related Security;
 - (e) shall not (and shall procure that the Originator and the Servicer shall not, except to the extent expressly permitted under the Servicing Agreement) amend or vary or waive or release any provisions of the Loans and/or their Related Security;
 - (f) shall preserve its title to the Loans and their Related Security;
 - (g) it shall promptly notify the Issuer and the Security Trustee in writing if it receives written notice of any litigation or claim calling into question in any material way the Originator's or the Issuer's title to any Loan or its Related Security comprised in the Portfolio or if it becomes aware of any breach of any of the Loan Warranties in respect of any Loan or its Related Security comprised in the Portfolio or other obligations of the Originator under this Agreement (unless either the breach is rectified or such Loan and their Related Security is repurchased by the Originator);
 - (h) it shall, if required to do so by the Issuer or, following the delivery of an Enforcement Notice, the Security Trustee, lend its name to, and take such other steps as may reasonably be required in relation to legal proceedings to the extent necessary to protect, preserve and enforce its title or the Issuer's title to or interest in respect of the relevant Loans or their Related Security comprised in the Portfolio and the Issuer will have power of attorney to act in the name of the Originator pursuant to the Originator Power of Attorney, provided that the Originator is reimbursed by the Issuer subject to and in accordance with the relevant Priority of Payments for the reasonable legal expenses and costs of such proceedings;

- (i) it shall, where relevant, make and enforce claims under the Insurance Policies relating to the Properties and hold the proceeds of such claims on trust for the Issuer;
- (j) it shall use all reasonable endeavours to obtain as soon as reasonably possible that information which accurately and definitively identifies the relevant Mortgages (which may, for the avoidance of doubt, include the relevant title number) comprised in the Portfolio which are registered at the Land Registry or Registry of Deeds;
- (k) it shall not (and shall procure that the Servicer shall not), except to the extent expressly permitted under the Servicing Agreement amend or vary or waive or release any provisions of the Loans or their Related Security; and
- (l) shall use all reasonable endeavours to ensure that all applications to register title and security documents in the Land Registry/Registry of Deeds are completed and lodged in a timely manner and the relevant details furnished to the Issuer and the Security Trustee.

9.5 The Originator undertakes to the Issuer and the Security Trustee, that pending perfection of the assignments of the Loans and their Related Security following the occurrence of any event under Clause 5 (*Perfection of the Sale*), it shall promptly notify the Issuer and the Security Trustee in writing if it receives written notice of any litigation or claim calling into question in any material way the Originator's or the Issuer's title to any Loan or its Related Security comprised in the Portfolio or if it becomes aware of any breach of any of the Loan Warranties in respect of any Loan or its Related Security comprised in the Portfolio or other obligations of the Originator under this Agreement.

9.6 The Originator undertakes to the Issuer and the Security Trustee that it shall grant security powers of attorney to the Issuer and the Security Trustee substantially in the form set out in Schedule 3 (*Originator Power of Attorney*).

9.7 The Originator shall in respect of its business in connection with the Loans and their Related Security:

- (a) use best endeavours to obtain and keep in force all licences, approvals, registrations, authorisations and consents which may be necessary in connection with the performance of its obligations pursuant to the Transaction Documents and in particular any applicable licences or registrations under the CCA (to the extent that the CCA applies in respect of any Loan) and/or the Central Bank Act 1997 (as amended);
- (b) at all times maintain all licences and registrations required under the Data Protection Laws;

For the avoidance of

doubt, to the extent that the Originator continues to act as a data controller after the occurrence of a Perfection Event in accordance with Clause 5 (*Perfection of the Sale*), it shall remain responsible as a data controller for its own compliance with the Data Protection Laws in respect of such processing;

- (f) give the Issuer such co-operation, assistance and information as it may reasonably request and provide such information to the Issuer and/or the Security Trustee or to their order at any time upon request from the Issuer and/or the Security Trustee and upon reasonable notice subject to the provisions of the Data Protection Laws and other applicable legislation from time to time. The Originator shall notify the Issuer promptly in the event that it has transferred any "personal data" within the meaning of the Data Protection Laws;

 - (v) where the Originator engages another data processor, the Originator shall ensure that a written contract exists between the Originator and such data processor containing clauses equivalent to and no less onerous than those imposed on the Originator in this Clause 9.7(g). In the event that any such data processor fails to fulfil its data protection obligations, the Originator shall remain liable to the Issuer for the performance of such data processor's obligations;

- (x) the Originator shall inform the Issuer and the Security Trustee immediately if, in its opinion, it receives an instruction from the Issuer which infringes the Data Protection Laws; and
- (xi) the Originator shall notify the Issuer and the Security Trustee without undue delay (and in any event within 24 hours) after becoming aware of any breach of security leading to the accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to, personal data transmitted, stored or otherwise processed and provide the Issuer with such reasonable co-operation and assistance as may be required to mitigate against the effects of, and comply with any reporting obligations which may apply in respect of, any such breach; and

subject in each case to the Originator indemnifying the Issuer, the Servicer and the Security Trustee on an after-Tax basis against the consequences (including the direct costs) of complying with the Originator's directions and requirements.

- (b) After the Originator or the Servicer, in relation to a repurchase for breach of a Loan Warranty, becomes aware of any event and/or fact which may reasonably give rise to an obligation under any Clause of this Agreement to repurchase any Loan and its Related Security it shall notify the Issuer and the Security Trustee in writing thereof as soon as reasonably practicable (and, in any event within 10 Business Days of becoming aware of such event or fact.

Where the matter giving rise to the breach of a Loan Warranty is capable of being remedied but the Originator fails to remedy such matter within the above 35 day period or the relevant breach is not capable of being remedied, then the Issuer shall serve upon the Originator (with a copy to the Security Trustee) a Loan Repurchase Notice in duplicate substantially in the form set out in Schedule 4 (*Loan Repurchase Notice*) requiring the Originator to repurchase the relevant Loan and its Related Security in accordance with Clause 10.5(b).

- (b) Upon receipt of a Loan Repurchase Notice duly signed on behalf of the Issuer, the Originator shall promptly sign and return a duplicate copy, and the Originator shall be required to repurchase from the Issuer, and the Issuer shall accordingly assign or transfer to the Originator free from the Security created by or pursuant to the Deeds of Charge, the relevant Loan or Loans and its (or their) Related Security at a price equal to the Current Balance of the relevant Loan or the aggregate of the Current Balances of the relevant Loans (disregarding for the purposes of such calculation the extent to which the Current Balance of such relevant Loan(s) have been reduced as a result of the exercise of any set-off right which the relevant Borrower(s) have against the Originator, the amount of any such reduction in the Current Balance) (as applicable) as at the last day of the Collection Period immediately preceding the date of such repurchase, plus an amount equal to the Repurchase Cost (if any) in connection with such repurchase, and where the proposed repurchase has resulted in the designation of an Early Termination Date (under and as

such term is defined in the Swap Agreement) in respect of the part of the Swap Transaction corresponding to such repurchased Loan or Loans, plus an amount equal to any termination payment payable by the Issuer to the Swap Provider in relation to such Early Termination Date or minus an amount equal to any termination payment payable by the Swap Provider to the Issuer in relation to such Early Termination Date (such amount being the "**Repurchase Price**"). Completion of such repurchase pursuant to this Clause (b) and the payment of the Repurchase Price pursuant to this Clause 10 shall take place on the date specified by the Issuer in the Loan Repurchase Notice, provided that the date so specified by the Issuer shall be no earlier than 15 days and no later than 35 days after receipt by the Originator of the Loan Repurchase Notice.

On any relevant repurchase date, the Originator shall pay to the Deposit Account (or as the Issuer shall direct) an amount equal to the Repurchase Price. The Issuer agrees to transfer (or procure the transfer) to the Originator within one Business Day of the date of such repurchase an amount equal to all Collections received on the relevant Loan(s) and their Related Security from (but excluding) the last day of the Collection Period immediately preceding the date of such repurchase to (but excluding) the date of such repurchase.

10.7 **Repurchase Date**

Completion of any repurchase pursuant to this Agreement shall take place:

10.8 **Consent to Repurchase and release from Security**

On the date of completion of any repurchase of a Loan or Loans and its (or their) Related Security in accordance with this Clause 10, the Security Trustee shall be deemed to give its consent to such repurchase and the release of such Loan or Loans and its (or their) Related Security from the Security if the Security Trustee receives written confirmation from an authorised signatory of each of (a) the Issuer and (b) the Originator, that the repurchase has been made in accordance with this Clause 10 and the Repurchase Price for such Loan or Loans and its (or their) Related Security has been paid to the Deposit Account in accordance with this Clause 10.

10.9 **Repurchase in case of Perfection of Sale**

If the assignment to the Issuer of such Loan or Loans and its (or their) Related Security has been perfected in accordance with Clause 5 (*Perfection of the Sale*), the Issuer shall deliver to the Originator on the date of completion of the repurchase of such Loan or Loans and its (or their) Related Security:

- (a) a transfer of the relevant Mortgage to the Originator:

- (i) in case of Loans secured over Properties which comprise registered land, by means of a registered transfer in or substantially in the form set out in Part 1 in the form of the relevant Land Registry (*Register of Transfers – Registered Land*) of Schedule 2 (*Register of Transfers*); or

- 10.10 Upon completion of any purchase, transfer, re-transfer or repurchase of any Loan and its Related Security pursuant to this Clause 10, the Originator shall cease to be under any further obligation to hold any Loan Files, Title Deeds or other documents relating to such Loan or Loans and its (or their) Related Security to the order of the Issuer and if the Issuer holds or has under its control the Loan Files and other documents relating to such Loan or Loans and its or their Related Security, it will return them (or direct the return) to the Originator. Any such purchase, transfer, re-transfer or repurchase by the Originator of or in respect of a Loan or Loans and its (or their) Related Security shall constitute a discharge and release of the Originator from any claims which the Issuer may have against the Originator arising from the breach of any Loan Warranties in relation to that Loan and its Related Security only but shall not affect any rights arising from a breach of any other express provision of this Agreement or any Loan Warranty in relation to any other Loan and/or other Related Security.
- 10.11 The parties to this Agreement may waive any breach of, or amend, the Loan Warranties only if they have obtained the written consent of the Security Trustee at or prior to the time the amendment or waiver takes place. The Security Trustee shall be entitled to consent to such waiver or amendment provided that the then current ratings of the Notes will not be downgraded, withdrawn or qualified as a result.
- 10.12 If a breach of a Loan Warranty arises in respect of any Loan and/or its Related Security and (in either case) no repurchase requirement arises in respect of the Originator pursuant to this Clause 10, neither the Issuer nor the Security Trustee shall have any further claim against the Originator in respect of, or in relation to, such breach of Loan Warranty in relation to that Loan and/or its Related Security. For the avoidance of doubt, save as provided for in this Clause 10, the Originator is not obliged to repurchase any Loan or its Related Security comprised in the Portfolio.
- 10.13 If the Originator makes any payment to the Deposit Account (or as the Issuer shall direct) in full satisfaction of any claim made by the Issuer or the Security Trustee in relation to any breach of Loan Warranty, the Issuer or the Security Trustee, as the case may be, shall assign to the Originator such rights as they have against any third party which relate to such claim.

If a Loan has never existed, or has ceased to exist, such that it is not outstanding on the date on which it is due to be repurchased pursuant to this Clause 10, the Originator shall not be obliged to repurchase the Loan and its Related Security but shall instead indemnify the Issuer and the Security Trustee on an after-Tax basis against any loss, costs or expenses, suffered by reason of any Loan Warranty relating to or otherwise affecting that Loan being untrue or incorrect by reference to the facts subsisting at the date on which the relevant Loan Warranty was given, provided that the amount of such indemnity shall not exceed the sum of (i) the Current Balance of the Loan that would have been payable by the Borrower in respect of such Loan on and after the relevant completion date for the repurchase in relation to such Loan had the Loan existed and complied with each of the Loan Warranties set out in Schedule 1 (*Loan Warranties*) as at such date; and (ii) interest thereon from such relevant completion date at the weighted average yield of the Loans in the relevant Portfolio, as calculated by the Servicer.

10.15 Assignment of claims against third parties

If the Originator makes any payment to the Deposit Account in full satisfaction of any claim made by the Issuer in relation to any breach of any of the Loan Warranties, the Issuer shall, if so requested by the Originator, assign to the Originator such rights as it has (if any) against any third party which relate to such claim.

- (g) it does not exclude the Issuer from consolidation in any such financial statements solely based on its small size, on materiality grounds or on the grounds that it is held for sale;
- (h) it does not account for the financial reports of the Issuer in any such financial statements under the equity method of accounting;
- (i) it would not be consolidated or included with the Issuer if financial statements were prepared under international accounting standards, except where the Issuer would be valued in the consolidated financial statements as an interest in an entity using fair value accounting (within the meaning of international accounting standards); and

and the Originator shall indemnify the Issuer on an after-Tax basis in respect of any losses, costs or expenses suffered or incurred by the Issuer that arise as a result of a breach of this representation and warranty.

- (g) the entry by the Originator into the Retention Financing will not constitute a hedge or transfer of the credit risk exposure of the Retained Exposures as prohibited by (i) Article 6 of the EU Securitisation Regulation and Article 12 of the EU Recast Risk Retention RTS, but rather will constitute a permitted secured funding transaction for the purposes of Article 12(2) of the EU Recast Risk Retention RTS and by (ii) Article 6 of the UK Securitisation Regulation and Article 12 of the UK Risk Retention RTS, but rather will constitute a permitted secured funding transaction for the purposes of Article 12(2) of the UK Risk Retention RTS.

14. CONSEQUENCES OF BREACH

Without prejudice to Clauses 6 (*Further Advances*), 7 (*Product Switches*), 8 (*Loan Repurchase Notice following legal proceedings*), 9 (*Undertakings*) and 10 (*Warranties and Repurchase*),

19. NON-MERGER

Any term of this Agreement to which effect is not given on the Closing Date (including in particular the liability of the Originator under the Loan Warranties and the indemnity in Clause 5.10 (*Perfection of the Sale*)) shall not merge and shall remain in full force and effect notwithstanding the sale and purchase contemplated by this Agreement.

20. **NO AGENCY OR PARTNERSHIP**

It is hereby acknowledged and agreed by the parties that nothing in this Agreement shall be construed as giving rise to any relationship of agency, save as expressly provided herein, or partnership between the parties and that in fulfilling its obligations hereunder, each party shall be acting entirely for its own account.

21. **PAYMENTS/VAT**

21.1 Except as otherwise specifically provided, all payments to be made pursuant to this Agreement shall be made in Euros in immediately available funds without any deduction or withholding (save where such deduction or withholding is required by law and is for or on account of any Tax or where such deduction or withholding is a FATCA Withholding, in which case the payment will be made net of such deduction or withholding) and without exercising or seeking to exercise any right of set-off as may otherwise exist and shall be deemed to be made when they are received by the payee and shall be accounted for accordingly unless failure to receive any payment is due to an error by the payee's bank.

21.2 Any sum (or other consideration) payable (or provided) by the Issuer to the Originator pursuant to this Agreement shall be deemed to be inclusive of any VAT chargeable on any supply or supplies for which that sum (or other consideration) is the consideration (in whole or in part) for VAT purposes and section 45 of the VATCA shall not apply to affect the amount of such sum (or other consideration) payable (or provided) and accordingly no additional amount shall be payable by the Issuer in respect of such VAT. In the event that the Issuer is required to account to a tax authority for VAT in respect of any supply made to it by the Originator, the Originator shall pay to the Issuer (subject to the Issuer being or becoming registered for VAT) the amount of VAT for which the Issuer is accountable to that tax authority in respect of that supply, but only to the extent that the Issuer is not entitled to credit or repayment in respect of such VAT from the relevant tax authority.

If VAT is chargeable on a supply made by the Issuer to the Originator, the Originator shall pay to the Issuer (subject to the Issuer being or becoming registered for VAT and producing a valid VAT invoice) the amount of VAT for which the Issuer is accountable in addition to, and at the same time as paying (or providing), the sum (or other consideration) payable (or provided) pursuant to this Agreement.

22. **WAIVERS AND VARIATION**

No waiver of this Agreement or any provision(s) of this Agreement shall be effective unless it is in writing and executed by (or by some person duly authorised by) each of the parties hereto. No single or partial exercise of, or failure or delay in exercising, any right under this Agreement shall constitute a waiver or preclude any other or further exercise of that or any other right.

23. **ASSIGNMENT AND SALE**

23.1 Subject always to the provisions of Clause 24 (*Change of Security Trustee*), no party hereto shall be entitled to assign all or any part of its rights or obligations hereunder to any other party without the prior written consent of each of the other parties hereto (which shall not, if requested, be unreasonably withheld) save that the Issuer shall be entitled to assign whether by way of security or otherwise all or any of its rights under this Agreement without such consent to the Security Trustee pursuant to the Irish Deed of Charge and the Security Trustee may at its sole discretion

assign all or any of its rights under or in respect of this Agreement without such consent to any successor or additional Security Trustee in exercise of its rights under the Irish Deed of Charge.

- 23.2 The Originator acknowledges that on the assignment pursuant to the Irish Deed of Charge by the Issuer to the Security Trustee of the Issuer's rights under this Agreement, the Security Trustee may enforce such rights in the Security Trustee's own name without joining the Issuer in any such action (which right the Originator hereby waives) and the Originator hereby waives as against the Security Trustee any rights or equities in its favour arising from any course of dealing between the Originator and the Issuer.

- 24.1 If there is any change in the identity of the Security Trustee in accordance with the Deeds of Charge, the Originator and the Issuer shall execute such documents and take such action as the successor or additional Security Trustee and the outgoing Security Trustee may reasonably require for the purpose of vesting in the successor or additional Security Trustee the rights and obligations of the outgoing Security Trustee hereunder and releasing the outgoing Security Trustee from its future obligations under this Agreement and the Originator shall give notice thereof to the Rating Agencies.

- 24.2 It is hereby acknowledged and agreed that by its execution of this Agreement the Security Trustee shall not assume or have any of the obligations or liabilities of the Originator or the Issuer hereunder and that the Security Trustee has agreed to become a party to this Agreement for the purpose only of taking the benefit of this Agreement and agreeing to amendments to this Agreement. Loan Warranties

The Loan Warranties will be given by the Originator in respect of the Loans and their Related Security sold by the Originator to the Issuer on (i) the Portfolio Sale Date; (ii) as at each Further Advance Date in respect of the relevant Further Advance; (iii) as at each Switch Date in respect of the relevant Product Switch; and (iv) (in respect of Loan Warranty number 60) on each date on and from the Portfolio Sale Date. These representations and warranties will also be given in relation to any Product Switches and Further Advances, as described below.

The Loan Warranties will separately be given by the Originator to the Security Trustee and the Security Trustee will hold the benefit of such Loan Warranties on trust for the Secured Creditors by virtue of the assignment of the Issuer's rights under the Mortgage sale Agreement to the Security Trustee.

The Loan Warranties that will be given to the Issuer and to the Security Trustee by the Originator pursuant to the Mortgage Sale Agreement (the "**Loan Warranties**") include, inter alia, (defined terms having the meaning given to them in the Mortgage Sale Agreement), and see also "*The Loans – Insurance Contracts*" above:

1. each Loan is secured by a valid, subsisting and first ranking legal mortgage over the relevant Property situated in Ireland (subject only to stamping at the Revenue Commissioners, where applicable, and to any registration which may be pending at the Land Registry or Registry of Deeds) (or, in the case of multiple advances over the same property, the advances rank above all security other than the security in favour of the Originator);
2. each Loan was made by the Originator or Pepper (as Back Book Originator) (as applicable) on its own account, arose from the ordinary course of the residential lending activities of the Originator or the Back Book Originator (as applicable) in Ireland and, in each case, at the relevant date upon which a Loan was drawn down in full or in part by a Borrower (the "**Origination Date**") and on the date on which any Further Advance was made (the "**Further Advance Date**") satisfied the Lending Criteria in force at such relevant Origination Date or Further Advance Date in all material respects and pursuant to underwriting standards that are no less stringent than those applied by the Originator or the Back Book Originator (as applicable) at the time of origination to similar loans that are not securitised;
3. each Loan is either a PDH Loan or a BTL Loan;
4. the particulars of each Loan in the Portfolio scheduled to the Mortgage Sale Agreement were true, correct and complete in all material respects;
5. each Loan and Related Security has been made upon the terms of the Standard Documentation (as appropriate) (save to the extent as may be required to comply with any applicable law or regulation or guidance issued by the Central Bank);
6. so far as the Originator is aware, in respect of each Loan, each relevant Borrower is a natural person and was aged 18 years or over at the date of execution of the relevant Loan and the Related Security;
7. each Borrower is a natural person resident in Ireland;
8. at the relevant Origination Date, no Borrower was an employee or officer of the Originator or the Back Book Originator (as applicable) or any of their respective Affiliates;
9. none of the Loans is a Lifetime Interest-Only Loan and all Loans are fully amortising to term;
10. none of the Loans are loans made pursuant to section 3(4) of the Housing (Miscellaneous Provisions) Act, 1992;

12. the relevant Mortgage Conditions provide for interest to be paid and principal to be repaid on a monthly basis (other than for Interest-Only Loans);
13. the Borrower in respect of the Loan makes its monthly payments by Direct Debit on the Origination Date (other than those Loans where the Borrower has exercised its legal right to make its monthly payments by means other than Direct Debit);
14. the amount outstanding under each Loan is a valid debt to the Originator from the Borrower and each Loan and its Related Security constitutes a legal, valid, binding and enforceable obligation of the relevant Borrower enforceable in accordance with its terms, except that enforceability may be limited by bankruptcy, insolvency or similar laws or regulations of general applicability affecting the enforcement of creditors' rights generally and the court's discretion in relation to equitable remedies and the terms of each related Mortgage provide that such related Mortgage secures the repayment of all advances, interest, costs and expenses payable by the relevant Borrower (other than in relation to any prepayment charges) in respect of the relevant Loan;
15. subject only to registration or recording at the Land Registry or Registry of Deeds or to stamping at the Revenue Commissioners, the Originator is the absolute legal and beneficial owner of all property, interests, rights and Benefits in relation to the Loans and their Related Security which are free and clear of all Encumbrances (other than those Encumbrances created by operation of law or which form part of the Loan or its Related Security) or any other condition that can be foreseen to adversely affect the enforceability of the true sale or assignment or transfer with the same legal effect;

17. pursuant to the Borrower's solicitor's irrevocable undertaking or the Originator's instructions to its own solicitors, all steps necessary with a view to perfecting the Originator's legal title to each Loan and its Related Security were duly taken at the appropriate time or are in the process of being taken without undue delay on its part or on the part of those within its control including for the avoidance of doubt all registration applications to register the Borrower's and the Originator's legal title to the Loan and its Related Security in the Registry of Deeds and/or the Land Registry as appropriate and all necessary first registration applications in circumstances where an obligation to first register the Borrower's title to the Property has arisen pursuant to the Registration of Title Act 1964 (as amended);

20. the Loans are not life loans or offset mortgage loans;
21. each Mortgage is secured by residential property situated in Ireland;
22. each Loan comprises all residential loans made by the Originator to such Borrower and all residential security in favour of the Originator;

24. the Originator's right, title and interest in each Loan and its Related Security may be validly assigned or transferred to Issuer without the consent of the Borrower and without breaching any term or condition applying to such Loan and its Related Security;
